**NEWSLETTER - January 2005**

## **Notes from the President:**

What a party! I hope everyone there had as much fun as I did. Every year the members bring in more food with greater diversity. My thanks go out to all who contributed in making it the best holiday party to date.

Along with the cold in the air plans for EXPO arrive. It is time to again start thinking about recruiting vendors and spreading the word for attendees. At the meeting I had the first run of flyers. Contracts will go out in January and then the flyers will be mailed in March. Lets make this EXPO a success. The existence of the club depends on it!

I hope that your holidays were fun, healthy and safe. May the New Year bring you the time to enjoy and those to enjoy it with.

Harmon Kaplan
