**NEWSLETTER - November 2004**

## **Notes from the President:**

Fall is certainly here and winter is not far behind. After shoveling that snow there should be plenty of time for modeling. Our contest table has had models by the same modelers for many, many months. It is time to give them a run for the money. Let's see some new names in the mini-comp results.

As an inspiration to get the modeling juices flowing Jerry Rinaldi will give a workshop on "painting flesh tones" this month. Don't miss it. Those of you who have seen his work will certainly want to see how he does it with those sexy miniatures (OK, not the Predator from this past month!).

I hope that you enjoyed the donuts and cider at last month's meeting. We are now getting ready for the Holiday Party in December. In addition to the sandwiches try to bring in something edible to share with the other members. It will be appreciated by all!
