**NEWSLETTER - October 2004**

## **Notes from the President:**

The meetings seem to be a lot of fun lately - maybe it is the weather or maybe it is the fact that the members appear to be infused with a new vitality and eagerness to keep the club going. Whatever it is, thanks! It makes me feel good to know that the club is a "group effort."

As was discussed at the meeting, we shall try to offer the newsletter as an e-mail. This will be quite an adventure and it will allow us to add color and pictures. If this appeals to you, please e-mail me at "NJHMA@Hotmail.com" and let me know. This will also save the club some money and will be a way to make the newsletter a bit more lively. It will also allow us to communicate with the membership for "late breaking news."

Again, thanks for attending and participating. It makes the NJHMA "our" club."
